## One Million Experts on X-Search by PRESANS!

In April, PRESANS announced that X-Search had reached over a million experts in base. PRESANS has launched X-Search ([presans.com/x-search](http://presans.com/x-search)), the first Worldwide Expert Search Engine just a few months ago. And today we have great news to announce: more, more and more!

- **1 000 000 experts:** PRESANS is proud to announce that X-Search, has recently reached one million experts in base.
- **Worldwide:** now X-Search Beta really gives you access to worldwide expertise (this feature was originally reserved to premium users).
- **Get your colleagues to use X-Search:** your colleagues also would like to use X-Search, you can now invite up to 25 of your favorite colleagues to use it! Just log in and use the "invite" link.

## PRESANS co-authored a book on Open Innovation

We are pleased to announce the release of the book [A Guide to Open Innovation & Crowdsourcing](#) that we have co-authored.

Co-authors of the book include Henry Chesbrough (the father of Open Innovation). Most of the contributions are really insightful and I really recommend their reading. The book is currently a best-seller on Amazon!
